285B Series

Product Parts Information

Save These Instructions

Edition 13
November 2021
CCN 80162944

When tool life has expired, it is recommended to:

- disassemble the tool
- degrease the tool
- separate tool parts by material for correct recycling

Tool repair and maintenance should be conducted by an authorized service center.

Refer all communications to the nearest **Ingersoll Rand** office or distributor.
